

Soft Serve Freezer
 MS326 26 liter/hour
 MS336 36 liter/hour
 Double flavor Twist
 Floor Model

MEHEN™ presents

This high performance soft serve freezer combines rainbow technology with simple and efficient operation. It provides high production for two individual flavors of frozen dessert, or a combination 'twist'. The MS326 and MS336 offer maximum flexibility for a wide range of products, and are able to serve ice cream, custard, yogurt, or sherbets, in any combination.

Features Include:

- | Refrigerate quickly and achieve demanded low temperature with powerful evaporator
- | Separate touch pad controls for each cylinder lets you make combination twist of differing products
- | Gravity mix feeding system offers simple operation and smoother, creamier product
- | High performance dasher with very good overrun (up to 40%)
- | Unique freezing cylinder optimizes refrigerant efficiency
- | Dasher and outer panels are all stainless steel AISI304
- | Pre-cool system installed to keep the mix fresh in tank
- | Low mix indicator lights with audible signal
- | Cylinder type, helicoidal path
- | R404A refrigerant type
- | Night mode available

Specifications:

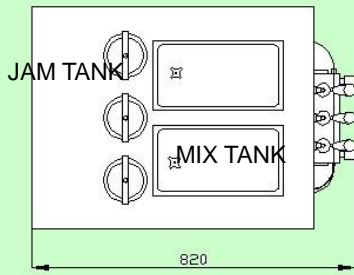

MODEL	Ability* Liter/hr	Mix Tank Cap. Liter	Cylinder Cap. Liter	Condenser	Power Type		Compressor Power Kw	Dimension (mm)			Net Weight Kg	Gross Weight Kg
					Motor Power Kw	Voltage Phase		W.	D.	H.		
MS326	26	6,70 x 2	1,6 x 2	Air*	230/50,60/1	1,10	0.919	580	820	1420	260	330
MS336	36	6,70 x 2	1,6 x 2	Air*	230/50,60/1	1,10	1,286	580	820	1420	285	355

*The performance of air-cooled models and hour ability are referred to below +25 Celsius Degree ambient temperature.

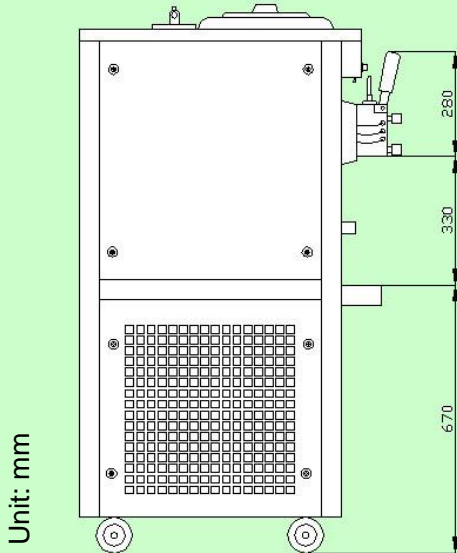

MS326, MS336

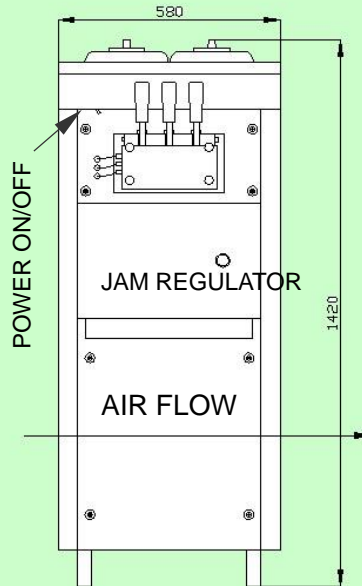

Two flavor 'twist' floor model. Serve ice cream, custard, yogurt, or sherbets, in any combination. Patented Jam-Feed technology (Rainbow) results in wonderful dessert both in taste and appearance. Gravity.
